Workshops and Guidance

We run a series of informative seminars to help our Long-Term Study students settle into life in London and make the most of their experience.

Seminars include:

- Living and Working in London
- CV Preparation & Interview Techniques
- Immigration Procedures & Registration
- Further Study Options
- Completing College Application Forms
- Life in the UK preparation (On request)

We provide information and details about pathway and university foundation programmes as well as the different third level options which can be accessible to students.

Our staff is available to assist students with the application procedures for further study.
